- AP 3510 Violence in the Workplace (New)

The council reviewed and approved by consensus draft board policy and administrative procedure 3510 regarding violence in the workplace. Judy advised that the policy would be presented to the governing board for first reading at the December 14, 2020, meeting.

First reading

- AP 3415 Immigration Enforcement Activities (New)
- AP 5017 Responding to Inquiries of Immigration Status, Citizenship Status, and National Origin Information (New)
- AP 6740 Citizens' Bond Oversight Committee (Revision)

Proposed new and revised administrative procedures were discussed. Judy asked council members to share the drafts with constituents and present feedback at the next Chancellor's Advisory Council meeting.

4. **Foothill College, De Anza College, and Central Services budget reduction collateral plans as of 11/1/20**

Budget reduction collateral plans submitted by the colleges and Central Services were discussed. Lloyd and Thuy confirmed that if a time comes when reductions are needed,

the colleges' shared governance groups would be involved in determining the specifics of cuts within the broad categories listed. Chris reminded the council that freezing or not refilling positions is a cut.

5. Board of Trustees Priorities 2020-21

Judy provided an update regarding housing partnerships, noting that a potential project with Alta Housing looks particularly promising.

With regard to campus safety, Judy advised that she, Pat Hyland, and Becky Bartindale are in the process of interviewing facilitators for the Campus Safety Task Force. She expressed hope that the task force would be able to present a series of options or at least a progress report to the governing board by the end of the academic year.

Judy also spoke about participating in the California Community College Chancellor's Office Trustee Fellowship program along with Board President Pearl Cheng and Board Vice President Peter Landsberger. She advised that the district intends to apply for a \$50,000 grant, available to those participating in the program, to help move the board's priorities forward.

Abhi expressed appreciation regarding the board's priorities and suggested that the district look at opportunities to support clean and renewable energy sources when looking at housing. He asked that the district be sure to bring all perspectives into the discussion of campus safety and communicate clearly about timelines and steps being taken. Judy responded that she will be asking the facilitator's advice regarding the approach to task force membership and committed to not sacrificing a good outcome and good process for the sake of a deadline. She reminded everyone to consider sustainability during the college Facilities Master Plan updates and to look at projects through an equity lens.

In response to Kathryn's question regarding board priority 2. *Identify equity and student success goals the Board will regularly monitor*, Judy indicated that the governing board will be focused on monitoring just a few metrics. She suggested that the council discuss the types of study sessions that might be scheduled and possible metrics the governing board should review at the next council meeting.

6. District initiatives update

Judy spoke about her announcement regarding the decision to opt out of athletic competition and to extend remote instruction and services through the end of spring quarter 2021. She advised that she and the college presidents will meet with student athletes November 16 to discuss the decision. In response to a question from Tim, Lloyd and Judy advised that Student Services staff at both colleges are reaching out to student athletes to let them know counseling is available. Judy reported in reply to a question from Chris that the federal CARES Act funding will be fully spent by December. She noted that student health insurance will only cover testing once per week, but Santa Clara County requires that student athletes be tested three times per week.

Judy reported that Laurie Scolari and Rob Mieso have been added to the Foothill-De Anza Foundation's strategic planning process to help with the Foundation's support of student basic needs.

7. **Enrollment management**

Susan reported that the district saw a slight decrease in enrollment in the fall quarter. David advised that the district was down 2% at census, but colleges throughout the state and nation have seen an average 10% decline.

Abhi questioned whether the district has lost second year students because of COVID-19 and asked for a focus on retention to help students who feel disheartened in completing their educational goals.

6. **District Governance Committee/Constituent Group Reports**

District Budget Advisory Committee <http://www.fhda.edu/about-us/participatorygovernance/C-budget-advisory-committee.html>

Susan advised that the District Budget Advisory Committee reviewed the district's Adopted Budget at a meeting held October 20, 2020, and would be discussing the state and federal COVID-19 grants at the next meeting.

In response to Kathryn's question, Dorene advised that she hopes to bring the changes to the faculty hiring procedures to the January CAC meeting for first reading, and faculty can begin to use the new procedures once approved by CAC.

Educational Technology Advisory Committee <http://ets.fhda.edu/governance-committees/etac/index.html>

Joe reported that needs assessment surveys will be sent to the colleges and Central Services soon in connection with the revision of the district Technology Master Plan. He also spoke of the excellent student representation on the committee this year.

~~BP 1240 Limitation of Activities of Off-Campus Individuals and Groups: Loitering, Solicitation, Distribution of Materials and Demonstration~~

~~The Colleges of the District were established by the community primarily as educational institutions. Unregulated activities and loitering on a campus by individuals or groups not associated with the College may interfere with the educational function.~~

~~The Board adopts the following policy to cover instances where off-campus groups or individuals on a campus might interfere with the objectives of the District.~~

~~Loitering~~

~~Because visitation to a District facility by an individual or group may disrupt the educational program, may utilize space required for those regularly enrolled, may be a danger to students, and/or may be a hazard to property, the Board will be the sole determiner of who will be permitted to visit a District facility. Therefore, the Board may withdraw the visitation privilege of any individual or group at any time.~~

~~Individuals on District property must identify themselves on request and must abide by all District regulations.~~

~~Solicitation~~

~~Solicitation by off-campus groups or individuals must comply with times and places as prescribed by campus regulations and must not in any way interfere with College functions.~~

~~Distribution of Material~~

~~Distribution of materials by off-campus groups or individuals must comply with times and places as prescribed by campus regulations and must not in any way interfere with College functions.~~

~~Demonstrations~~

~~Off-campus groups or organizations wishing to hold a demonstration on campus must first obtain a permit to do so from the college administration. Permit for such purposes will be considered consistent with District regulations and security concerns. Groups obtaining permits must comply with the same regulations and requirements as have been established for student groups wishing to demonstrate on the campus.~~

~~[See Board Policy 6160 Speakers](#)~~

~~Approved 4/6/66~~

~~Amended 3/8/72, 11/15/93~~

~~BP 5550 Time, Place and Manner~~

~~In order to provide an atmosphere in which groups and organizations can function without disrupting the College's curricular programs, the Governing Board places the following restrictions on the time, place and manner of non-curricular activities at Foothill De Anza:~~

~~College-recognized student organizations may conduct activities which utilize the name and resources of the colleges only in compliance with the Education Code and Time, Place and Manner Regulations authorized by the Board.~~

~~Public service agents, charitable and non-profit organizations, and other non-college groups as defined in the Civic Center Act, may distribute and/or post materials, collect signatures on petitions, solicit funds, or engage in informational activities on campus only in compliance with the Education Code and the Time, Place and Manner Regulations referred to above, and included as AP 5550.1 and AP 5550.2 of the Administrative Procedures Manual.~~

~~Groups and individuals other than those designated above are also subject to these regulations of time, place and manner and to other restrictions as deemed necessary by the administration for ensuring an orderly learning environment for Foothill and De Anza Colleges.~~

~~Use of college facilities or resources shall be denied to those whose conduct reflects an intent to use in violation of federal and state anti-discrimination laws. Membership in secret student societies is prohibited.~~

~~[See Administrative Procedure 5550.1 Regulations Concerning Time, Place, and Manner for Student Clubs and Organizations](#)~~

~~[See Administrative Procedure 5550.2 Regulations Concerning Time, Place, and Manner for Community Organizations](#)~~

~~**Students, employees, and members of the public shall be free to exercise their rights of free expression, subject to the requirements of this policy.**~~

~~**The colleges of the District have areas that are designated public forums available for the exercise of expression by students, employees, and members of the public. The Chancellor shall enact such administrative procedures as are necessary to reasonably regulate the time, place, and manner of the exercise of free expression in the designated public forums.**~~

~~**The administrative procedures promulgated by the Chancellor shall not prohibit the right of students to exercise free expression, including but not limited to the use of bulletin boards, the distribution of printed materials or petitions, and the wearing of buttons, badges or other insignia.**~~

~~**Speech shall be prohibited that is defamatory, obscene according to current legal standards, or which so incites others as to create a clear and present danger of the commission of unlawful acts on District property, or the violation of District policies or procedures, or the substantial disruption of the orderly operation of the District.**~~

~~**Nothing in this policy shall prohibit the regulation of hate violence directed at students in a manner that denies their full participation in the educational process (Education Code Section 66301 subdivision (e)) so long as the regulation**~~

conforms to the requirements of the First Amendment to the United States Constitution and of Section 2 of Article 1 of the California Constitution. Students may be disciplined for harassment, threats, or intimidation unless such speech is constitutionally protected.

J. ~~Exceptions to any of the preceding requirements must be approved in advance by the Director of Student Activities (Foothill) or the Director of College Services (De Anza) for banners and electronic messages.~~

VI. Fund Raising on Campus

Community organizations or individuals may not solicit funds on campus unless it is during an approved fund raising event that has been scheduled through the Coordinator of Facility Rentals (De Anza) or the Director of Student Activities (Foothill).

(CCLC note: This procedure is legally advised. Local practice may be inserted, but should comply with these minimums and those in the related Board Policy.)

The students and employees of the District and members of the public shall be permitted to exercise their rights of free expression subject to the time, place, and manner policies and procedures contained in BP 3900 Speech: Time, Place, and Manner and this procedure.

The colleges of the District designate those areas generally available to students and the community, defined as grassy areas, walkways, and other similar common areas, as reserved for expressive activities which do not violate District policy and which are lawful. These areas are chosen so as to provide visibility and allow communication to a large number of students, administrators, faculty, and others walking or traveling on campus but also so as not to disrupt educational and other activities of the District on behalf of students:

- These areas are designated public forums. The District reserves the right to revoke that designation as to one or more areas and apply a non-public forum or other designation.
- The District reserves the right to designate areas as non-public forums as necessary to prevent the substantial disruption of the orderly operation of the college. Areas of the college that are non-public forums specifically include campus offices, classrooms, warehouses, maintenance yards, or locker rooms, and any other area not by tradition or designation a forum for public communication.

The use of these areas reserved and open for expressive activities is subject to the following:

- No person using the areas shall touch, strike, or physically impede the progress of passersby, except for incidental or accidental contact or contact initiated by a passerby.
- Persons using areas shall not use any means of amplification that creates a noise or diversion that disturbs the orderly conduct of the campus or classes taking place at that time.
- Persons using the areas reserved for expressive activities shall not disrupt the orderly operation of the college.

Non-student, community groups wishing to engage in speech or expressive activities on the Foothill College campus in the areas designated as public forums must check in with the Smart Shop at Foothill College prior to engaging in the activities. This does not involve an advance approval process. De Anza College does not require check in. No illegal activities will be permitted, no activities that violate District or campus rules, including rules and laws on illegal harassment and discrimination, and none that will substantially interfere with or disrupt activities already scheduled for that day and time in the designated areas, as described below. In the event the area sought to be used for expressive activities has already been reserved for another activity so that there will be substantial interference or disruption based on noise, overcrowding, or other considerations unrelated to content, the District will offer alternative available areas or if none is available offer alternative dates. Students, outside organizations, and others are encouraged to make reservations in advance to use the areas for their expressive activities through the use of optional reservation forms.

All persons using the areas that are designated public forums shall be allowed to distribute petitions, circulars, leaflets, newspapers, and other printed matter. Such distribution shall take place only within those areas. Those persons distributing printed material must, prior to their departure from the areas that day, make reasonable efforts to retrieve, remove or properly discard material that is discarded or dropped in or around the areas other than in an appropriate receptacle.

Hours of Access

The hours of operation of the District are 8:00 a.m. to 5:00 p.m. Expressive activities are not permitted outside the District's hours of operation. Overnight use or sleeping on campus is not permitted, nor is use of the campus areas for sleeping, camping, or laying down of bedding. Nor is use of facilities for similar purposes permitted during hours of operation.

Posting

Bulletin boards shall be provided for use in posting materials at campus locations convenient for use by students, staff, and members of the public. All materials displayed on a bulletin board shall clearly indicate the author or agency responsible for its production and shall be dated with the date of posting by the Foothill College Office of Student Affairs and Activities or De Anza College Office of College Life. Materials displayed shall be removed after the passage of 30 days.
