

## CAC 2/28/25 Meeting – Guided Notes for Reviewing the BPs/APs

### **Revisions to Board Policies and Administrative Procedures (FIRST READING at CAC)**

For the following BP and APs, the revisions or updates are straightforward and were made because of changes in legislation, Ed Code, Title V or other legal rulings that impact the language in our policies. Additionally, there are new accreditation standards whose references must also be updated in our policies for us to meet ACCJC requirements.

Our expert consultant, Jane Wright, Director of Policy and Procedures, from the Community College League of California, has also reviewed these board policies and administrative procedures in order to recommend any content changes. As you review the drafts, you will see the changes in red ink, blue ink, and/or yellow highlights. Each draft also has a footnote at the bottom with this information to make it easier to review these documents.
