Meeting Summary
Thursday, February 3rd, 2022

Present: Stacey Carrasco, Al Guzman, Veronica Casas Hernandez, Eric Reed, David Ulate

Guests: Mina Lee, Julia Rapoza

1. Land Acknowledgement
2. Minutes and Agenda

The minutes of the January 20th meeting are not ready, and will be presented at the next meeting.

The agenda was accepted without modification

Two guests attended: Mina Lee is a graduate student from Stanford participating the Preparing Future Professors program, and Julia Rapoza is a Foothill student seeking practical solutions for homelessness.

3. Finalize Siting Criteria Recommendation

The group reviewed the draft recommendation that was developed at the last meeting. We made several changes based on from constituents and from Chancellor Miner.

- In the preamble, recommend that the district pursue feasibility of on-campus housing as part of the search for a site
- Clarify that a full-service supermarket should accept EBT
- Add that child care should be affordable
- Include the full membership of the task force at the end of the letter

The members unanimously approved the recommendation letter with these changes. Eric will email the recommendation to the Chancellor and Board of Trustees, and present at the next Chancellor's Advisory Council meeting on February 11th.

4. Topics for Future Meetings

In order to make intentional progress on our charge, we considered assigning topics to each of the upcoming meetings. This proved to be a daunting task, and in the end, we simply decided that our next task to tackle will be resident eligibility.
