        2.   Attendees: Police department with college administrators, faculty, staff, PCAC and team of POST certified instructors.

        3.   Course Description:

The Principled Policing approach emphasizes the tenets of 1. Show respect, 2. Give Voice (listening), 3. Be neutral and 4. Build trust (Procedural Justice) while also addressing the common implicit biases that can be barriers to these approaches (Implicit Bias can compromise our community banks and can compromise our officer safety).

Law enforcement can improve trust and relationships between agencies and their communities by using these principles to evaluate their policies, procedures, and training within their departments. In addition, developing an understanding of these two concepts will enable law enforcement to improve safety and well-being for the public and law enforcement officers alike. The course covers instruction in "Principled Policing: Procedural Justice & Implicit Bias".
