

**ADMINISTRATIVE
MANAGEMENT
ASSOCIATION**

Foothill-De Anza Community College District

TO: Foothill-De Anza Administrators

FROM: AMA Executive Board

RE: AMA Membership

It is our pleasure to invite you to join Foothill-De Anza's Administrative Management Association, the group that represents administrators in our district. The AMA works with the presidents, the Chancellor, the Vice Chancellors and the Board to create, define and affect the terms and conditions of employment for all administrators in the District. Membership is voluntary, but strongly encouraged. (Nearly all administrators are members and we all benefit from the work the AMA does.)

District administrators elect an Executive Board each year to meet and confer with the Chancellor or his/her designee on issues related to pay, evaluation, assignments and leadership responsibilities. Agreements with the District are covered in the Administrators Handbook, <http://hr.fhda.edu/personnel/administrators> and are periodically updated to as terms are renegotiated.

The AMA Executive Board roster for the current year is on the AMA Web Site at <http://www.fhda.edu/ama/> and we are always looking for interested parties for subsequent years. Other valuable links are also on this web site. Executive Board meetings are held as needed throughout the year and are generally open to all administrators. When appropriate, meeting minutes or notes are distributed via email to the entire AMA membership. General meetings for members are usually held quarterly and are announced via email and on our Outlook Calendars.

Membership dues are \$60 per year and can be paid by check annually or through a monthly payroll deduction (page 2 of this letter). Contact the AMA Treasurer to send in a check. Dues are spent on AMA business and social events, where administrators have an opportunity to meet with administrative colleagues throughout the District. In addition to our events, occasionally a donation is made to a worthy cause such as the passage of a bond measure or to help celebrate Classified Appreciation Week. We also sponsor two \$500 AMA student scholarships annually, one at each college, and members are given the privilege to read and select the winners.

We look forward to you joining the AMA and becoming actively involved in this important organization. If you have any questions, please contact any of the current Executive Board members.
